Not legible at time of filming  
Camera Operators Certificate - Had incorrect film data*

CERTIFICATE OF INTENT

This is to certify and declare that the microfilmed records which appear on this roll of film are accurate and true images of records of the Office of County Clerk County of DuPage, State of Illinois, and that such records are preserved by microphotography on this roll of microfilm exactly as in the original. We also certify that the original records on this roll are to be destroyed or disposed of only after inspection of the film has assured the accuracy and completeness of these records and their images. We also certify that the microphotography used to commit these documents and records to microfilm complies with requirements of state records commission for permanency of film images.
